Audition Process:

Come prepared with a positive attitude and having completed your online audition application.

The audition process for musicals spans over a few days. There is a dance audition, singing audition and Call Backs.

Dance audition: You are taught a small portion of a dance routine that you will then perform in a small group for Ms. Johnson and the choreographer.

Singing audition: Everyone will be taught the same section of a song and then you will perform it by yourself for Ms. Johnson and Mrs. Killpack.
