- **Celebrate OJHS**

Todd Jepperson, English Teacher, LIA Leader and Yearbook Editor at OJH was honored by KSL NewsRadio and Zions Bank with the KSL Teacher Feature Award during our holiday assembly in December. Teacher Feature highlights outstanding teachers throughout the State of Utah. Mr. Jepperson was nominated by several students and was selected by a panel of judges from Zions Bank, the State Office of Education, and KSL NewsRadio who judge hundreds of nominating letters. Congrats to Mr. Jepperson.

- **New School Report Cards and Data**

Orem Jr. is considered to be exemplary with our English Language Learners scoring 71.4%, the highest percentage in the state. Student success goes beyond the ELD program which creates a good foundation for students. There is support in other classes that help our English Language students succeed.
